This form and any applicable attachments should be posted publicly on the website of the local educational agency (or equivalent) prior to reopening or if an LEA or equivalent has already opened for in-person instruction. For those in the Purple Tier, materials must additionally be submitted to your local health officer (LHO), local County Office of Education, and the State School Safety Team prior to reopening.

The email address for submission to the State School Safety for All Team for LEAs in Purple Tier is K12csp@cdph.ca.gov

LEAs or equivalent in Counties with a case rate $\geq 25/100,000$ individuals can submit materials but cannot re-open a school until the county is below 25 cases per 100,000 (adjusted rate) for 5 consecutive days.

For Local Educational Agencies (LEAs or equivalent) in ALL TIERS:

X I, Amanda Platt, post to the website of the local educational agency (or equivalent) the COVID Safety Plan, which consists of two elements: the **COVID-19 Prevention Program (CPP)**, pursuant to CalOSHA requirements, and this **CDPH COVID-19 Guidance Checklist** and accompanying documents, which satisfies requirements for the safe reopening of schools per CDPH [Guidance on Schools](#). For those seeking to open while in the Purple Tier, these plans have also been submitted to the local health officer (LHO) and the State School Safety Team.

I confirm that reopening plan(s) address the following, consistent with guidance from the California Department of Public Health and the local health department:

COVID-19 Site Specific Safety Plann

X **Stable group structures (where applicable):** How students and staff will be kept in stable groups with fixed membership that stay together for all activities (e.g., instruction, lunch, recess) and minimize/avoid contact with other groups or individuals who are not part of the stable group.

We are a cohort in our entirety. There are 24 students and 2 full-time teachers who are husband and wife and one part-time resource teacher.

Please provide specific information regarding:

How many students and staff will be in each planned stable, group structure? (If planning more than one type of group, what is the minimum and maximum number of students and staff in the groups?)

Orick School has 24 students(including 5 families with siblings enrolled) and 2 full-time

If you have departmentalized classes, how will you organize staff and students in stable groups?

We have a primary class and upper grade class, and our teachers are husband and wife.

If you have electives, how will you prevent or minimize in-person contact for members of different stable groups?

No.

X **Entrance, Egress, and Movement Within the School:** How movement of students, staff, and parents will be managed to avoid close contact and/or mixing of cohorts.

Please see our COVID-19 Site Specific Safety Plan

X **Face Coverings and Other Essential Protective Gear:** How CDPH's face covering requirements will be and enforced for staff and students.satisfied

Please see our COVID-19 Site Specific Safety Plan

X **Health Screenings for Students and Staff:** How students and staff will be screened for symptoms of COVID-19 and how ill students or staff will be separated from others and sent home immediately.

Please see our COVID-19 Site Specific Safety Plan

- X **Healthy Hygiene Practices:** The availability of handwashing stations and hand sanitizer, and how their safe and appropriate use will be promoted and incorporated into routines for staff and students.

Please see our COVID-19 Site Specific Safety Plan

- X **Identification and Tracing of Contacts:** Actions that staff will take when there is a confirmed case. Confirm that the school(s) have designated staff persons to support contact tracing, such as creation and submission of lists of exposed students and staff to the local health department and notification of exposed persons. Each school must designate a person for the local health department to contact about COVID-19.

Please see CPP

- X **Physical Distancing:** How space and routines will be arranged to allow for physical distancing of students and staff.

Please see our COVID-19 Site Specific Safety Plan

Please provide the planned maximum and minimum distance between students in classrooms.

Maximum: feet

Minimum feet

If this is less than 6 feet, please explain why it is not possible to maintain a minimum of at least 6 feet.

We strive for six feet, but children are unpredictable and at times may be closer than 6

- X **Staff Training and Family Education:** How staff will be trained and families will be educated on the application and enforcement of the plan.

Please see our COVID-19 Site Specific Safety Plan and CPP

- X **Testing of Staff:** How school officials will ensure that students and staff who have symptoms of COVID-19 or have been exposed to someone with COVID-19 will be rapidly tested and what instructions they will be given while waiting for test results. Below, please describe any planned periodic asymptomatic staff testing cadence.

Currently using the county testing service through Optum, looking at switching to State supported Valencia Lab. See also COVID-19 Site Specific Safety Plan and CPP

Staff asymptomatic testing cadence. Please note if testing cadence will differ by tier:

Currently using the county PH testing service through Optum, staff asymptomatic every 2-3 weeks. Looking to switch to State supported Valencia Lab - for weekly staff testing.

- X **Testing of Students:** How school officials will ensure that students who have symptoms of COVID-19 or have been exposed to someone with COVID-19 will be rapidly tested and what instructions they will be given while waiting for test results. Below, please describe any planned periodic asymptomatic student testing cadence.

None currently, Looking to add the state supported Valencia Lab for students.

Planned student testing cadence. Please note if testing cadence will differ by tier:

currently, sharing the county PH testing service with families, working on a partnership with Valencia Lab.
